CLASS TEACHER'S COMMENTS

Jermaine is approaching expectation. He has gained confidence and does his work within the speculated time. He has shown a lot of interest in doing his work in the sense that he would not sit down without anything to do as others have work to do. He has really shown so much improvement academically. I would encourage that he should be involved in a lot of learning activities during the holiday to always refresh his mind. Good work Jermaine.

HEAD TEACHER

"Children need writing to help them learn about reading, they need reading to help them learn about writing; they need oral language to help them learn about both". Please give lots of opportunities for them to practise this during the long holiday.
