CLASS TEACHER'S COMMENTS

Ruth approaches expectation.She has shown growth both socially and academically.I would encourage that she will be left to continue interacting with her age group to help her continue growing socially.Involve her in a lot of learning activities especially reading and writing to keep her on her toes. She is well behaved.

HEAD TEACHER

"Children need writing to help them learn about reading, they need reading to help them learn about writing; they need oral language to help them learn about both". Please give lots of opportunities for them to practise this during the long holiday.
